Important paragraphs

"Your favourite subject"

My favourite subject is English. I have English every day at school. My English teacher is very kind. He helps me a lot. I have an English test weekly. I always get the top mark. I like watching English films on TV. I also borrow books in English from the library. That helps me improve my language. I hope one day to travel to England and live with those English people. That's my dream.

"School rules"

School rules are important. We always wear our school uniform. We always help each other. We listen carefully to the teacher, too. We always do our homework. We never forget our pencil cases or notebooks. We arrive at school before lessons start. In the classroom, students don't talk to each other. When I want to ask our teacher, I put my hand up. It's important to come to school on time. Following the school rules is useful.

"A day in my life"

I get up at 6 o'clock in the morning every day. I wash and have breakfast. I go to school by bus. I have six lessons a day. I come back home at 2:30 p.m. in the afternoon. I have lunch with my family. My mother always makes us good food. I do my homework in the evening. I watch TV with my family on weekends. I go to bed early. That helps me to get up early.

My favourite subject is English. I have English every day at school. My English teacher is very kind. He helps me a lot. I have an English test weekly. I always get the top mark. I like watching English films on TV. I also borrow books in English from the library. That helps me improve my language. I hope one day to travel to England and live with those English people. That's my dream.
